THURROCK CAN

Thurrock CAN was created to hold space for Thurrock based Creative professionals, Artists and those that aspire to work in the creative industries. Sessions alternate between social and informative and are a wonderful opportunity for individuals and organisations to come together to discuss their project pipelines, to meet and mingle and potentially up-skill and grow.

Our next Thurrock CAN session will be an informal coffee morning kindly hosted by Casco Lounge, Lakeside on the **21st of May from 11am - 1pm.**

Want to be in the loop? Join Thurrock Can's Facebook group, an informative resource for what is happening creatively in the borough.

366 DAYS OF KINDNESS

With thanks to Applause Rural Touring, we are proud to present Bernadette Russell's 1 woman show, 366 Days of Kindness at Arts Outburst Studios on **Friday 31st of May, for a 7:30pm** show.

The true story of one woman's mission to answer the question "can kindness change the world?" by carrying out an act of kindness for a total stranger every day for 366 days.

Involving cakes, compliments, phone boxes and Billy Bragg teaching her how to play "The Milkman of Human Kindness" in a cupboard at the BBC. This is a comedy about how, despite what we are told about the state of the world, there is more love than hate, more hope than fear, more good than bad. All this plus a chance to win a million pounds (really)!

Tickets are £5, booked via www.artsoutburst.co.uk
Info regarding location, parking, accessibility available.
